Dear Mark,

I would like to take a moment to express a few of my thoughts and feelings about my experiences with Issa Ashour of NuBilt. When I first met him I said "Thank you God for sending me Issa." I had faith in him immediately and he did not let me down. He went over and above assisting me to understand all the details involved with reclaiming my condo. He communicated with me and looked out for my best interests. His ability to be prompt and to follow through on details is commendable. When I think of all the millions of people out there and that Issa took time out of his life to attend to my needs and concerns, well, it just reaffirms his humanity. Thank you for having him on my team.

Yours truly,
