Dear Issa:

I just wanted to let you know what a pleasure it has been to work with your family and employees. When one of my customers has a fire, water, or sewer back up claim it is a very difficult time in there lives and they often call me in tears to report the claim. I recently had a customer call in a sewer back up claim and you were at there home in the basement within one hour cleaning up a small disaster. The customer was so relieved and thanked me for the great job your company did for her.

Thank you for the great work you do.
