Dear Jeff:

We recently have had work completed by NuBilt Restoration (Issa Ashour) at [REDACTED] Street, Denver, Colorado. I would like you to know that we were extremely satisfied with the work done by this contractor.

The employees and subs of NuBilt were all very efficient, thorough, skilled and most importantly to us, were very considerate of my 87 year old mother's (your insured) needs and situation.

I would highly recommend NuBilt to any of your customers.

Cordially,

Ron T. [REDACTED]
